A list of all the courses offered for this academic year matching your research will open up. Before clicking on the  button to select the course you want to include in your study plan, make sure you take note of the degree course providing it. Indeed, you will need the combination of the degree course code and course code to identify the professor teaching the course. In the example above, "Scienze della moda – LM-65 regulation 2017/2018" is the degree course code and "1049282" is the course code.

If you change your mind, just click on the button to remove the course.

Reasons for the choices and additional notes (optional)	
Note	<div style="border: 1px solid gray; height: 40px;"></div>

If you wish, you can explain the reasons for your choices in the designated box (REASONS FOR THE CHOICES AND ADDITIONAL NOTES). Once you filled in your study plan, click on the button to save your choices and click on the button to check if there are any mistakes. Even if the study plan is correct, it has to be approved and you have to submit it for evaluation by your degree course.

An e-mail informing you of the outcome of the evaluation will be sent to the e-mail address you indicated on Infostud. Once your study plan has been approved you will be able to book exams.

Note: You can only submit one study plan for each academic year.
